1. Introduction

The Department of Industries & Commerce, Government of Kerala initiated the Cluster Development Programme (CDP), which mainly focuses on cost reduction, value addition, technology upgradation, skill upgradation, etc. of MSMEs. The Ministry of Micro Small & Medium Enterprises (MSME), Government of India, under the Micro Small Enterprises-Cluster Development Programme (MSE-CDP) Scheme is providing financial assistance for setting up Common Facility Centre (CFC) in Clusters and also for the upgradation of Infrastructure Facilities in existing and new Industrial Development Areas.

Kerala Bureau of Industrial Promotion (KBIP) is the Implementing Agency for the Common Facility Centre projects being implemented in the State under the MSE-CDP Scheme. The activities are coordinated in association with Directorate of Industries & Commerce / District Industries Centres. The project implementation is monitored at the State level by a State Level Purchase Committee chaired by the Director (Industries & Commerce) and also at the District Level by SPV Committee chaired by the General Manager of the respective District Industries Centre. The Directorate of Industries & Commerce is directly coordinating the activities pertaining to Infrastructure Development projects under MSE-CDP scheme in the State.

2. Background

With the objective of enhancing the productivity and competitiveness as well as capacity building of Micro and Small Enterprises (MSEs), the Ministry of MSME, Government of India has been implementing MSE-CDP Scheme since 2007. The development of Common Facility Centres and upgradation of infrastructure facilities in new and existing Industrial Development Areas/Plots are the two major components of the scheme. The key objectives of the scheme are as follows.

- a) To enhance the sustainability, competitiveness and growth of MSEs by addressing common issues such as improvement of technology, skills & quality, market access, etc.
- b) To build capacity of MSEs and Startups for common supportive action through integration of self-help groups, consortia, district Industry associations, etc.
- c) To create/upgrade infrastructural facilities in the new/existing Industrial Areas / Clusters of MSEs.
- d) To set up Common Facility Centres in Industrial area (for testing, training centre, raw material depot, effluent treatment, complementing production processes).
- e) Promotion of green & sustainable manufacturing technology for the clusters so as to enable units switch to sustainable and green production processes and products.

The MSE-CDP scheme provides financial assistance to Consortium of Micro & Small Industrial Units to be in the in a particular industrial cluster for the development of Common Facility Centres (CFCs). The scheme also provides financial assistance for the development of Infrastructure Development activities such as roads, drains, buildings, street lights, bus shelters etc. in new and existing industrial areas/plots.

The funding pattern for the development Common Facility Centres as per the latest guidelines published by the Ministry of MSME is as mentioned below:

Component	Total Project Cost	Funding Pattern		
		Govt. of India	Govt. of Kerala	Consortium (SPV)
Common Facility Centre	Rs. 5 Crores to Rs. 10 Crores	80%	15%	5%
	Rs. 10 Crores to Rs. 30 Crore	70%	15%	15%
Infrastructure Development – New	Rs. 5 Crores to Rs. 15 Crores	60%	40%	
Infrastructure Development – Upgradation of existing infrastructure	Rs. 5 Crores to Rs. 10 Crores	50%	50%	

The Department of Industries & Commerce, Government of Kerala is implementing the projects under MSE-CDP scheme of the Ministry of MSME, Government of India in the State. Kerala Bureau of Industrial Promotion is the designated as the Implementing Agency in the State for the development of CFC Projects under MSE-CDP Scheme in Kerala, in collaboration with Ministry of MSME, DICs of respective districts and Consortium of Micro and Small Enterprises (MSEs) and Directorate of Industries & Commerce is the Implementing Agency for the upgradation of infrastructure facilities in new and existing Industrial Development Areas/Plots.

As on date, the Ministry of MSME, Government of India has sanctioned 16 CFC projects under MSE-CDP scheme for Kerala of which 12 projects worth Rs.7,522.45 Lakhs have been commissioned and commenced operation. Developmental activities of 4 projects worth Rs.4,997.30 Lakhs is progressing.

The Ministry of MSME, Government of India has sanctioned two projects worth Rs. 19,67,69,000/- for upgradation of infrastructure facilities in Industrial Area/Plot and the developmental activities with respect to the project are progressing.

The key components for the development of Common Facility Centre (CFC) under MSE-CDP scheme includes construction of building, procurement of plant machinery etc. The components in ID projects includes the development of common facilities such as development of roads & drains, erection of street lights, fixing of signages, development of bus shelters etc. in new and existing industrial areas. Since major a stake in the total project cost is funded by the Central and State Governments, as per the scheme guidelines the prevailing CVC, and GFR guidelines are to be followed for all procurement activities being carried out for the project.

Government of Kerala, vide G.O.(Rt) No.25/2023/ID dated January 10, 2023 has accorded approval to the Standard Operating Procedures (SOPs) for the time bound implementation of projects under MSE-CDP scheme being sanctioned for the State by the Ministry of MSME, Government of India.

As per the sanction received, Kerala Bureau of Industrial Promotion (KBIP) proposes utilize the services of suitable Agencies with adequate domain expertise in carrying out Government Civil Construction activities as Project Management Unit (PMU) to undertake construction of
